SUMMARY

I am a web developer, and I want to be able to take a program and adapt it to become easier to utilize for anyone who wants to use it. I have experience in using programs to create smoother workflow in dental offices, as well as cutting costs in the insurance industry/company where I was employed. Now looking to be a positive asset to a fun and creative team where we can transform good ideas into great products.

TECHNICAL SKILLS

LANGUAGES: JavaScript, Python, SQL, Ruby, HTML5, CSS3, Bootstrap, TypeScript, Flexbox, CSS Grid
FRAMEWORK: Angular 4, Express.js, Django, Flask, Rails, MVC
DATABASE: MySQL, SQLite, PostgreSQL, NoSQL, MongoDB, Building ERDs
Others: GitHub, GitLab, jQuery, node.js, NPM, Capybara, RSpec, TDD, EDD

WEB DEVELOPMENT EXPERIENCE

Coding Dojo
Full – Stack Web Development Resident   *Dallas, TX – 2017*

Completed an immersive web development program with over 1,600 hours spent learning and developing web applications using Python, MEAN, Ruby on Rails, and MVC frameworks.

Projects:

+ **Wishlist** (Python, Django) – A personal application made to organize the holiday gift buying process.

  - I worked with a team and was responsible for matching-algorithm, designing and structuring the database.
  - I developed using Python, Django, sqlite3, HTML.
  - The app was deployed using Amazon AWS (EC2).

+ **Friends List** (Python) – A personal connecting application with a friend/connect feature among registered users

  - I structured the database and implemented the front end design plus deploying the app using Amazon AWS (EC2) all within 4.5 hours.
  - Developed using Python, Django, sqlite3, HTML, CSS.

PROFESSIONAL EXPERIENCE

Coding Dojo
Teaching Assistant   *Dallas, TX 2018 - Current*

  + Provided assistance in inquiry-based student instruction of software languages
  + Enforce "20-minute rule" - help students with problems after twenty minutes of applied effort

Ace High Casino Rentals
Event Manager   *Garden Grove, CA - 2008 – 2017*

Ace High provides the casino tables, dealers, and equipment for elegant casino themed events in Southern California

  + Responsible for coordinating and producing many of the 350+ events Ace High services annually.

+ Pre-event planning, inventory control, managing events, evaluating new hires, dealing & teaching casino games.

Gallagher Bassett Services
Claims Assistant/Claims Technical Assistant   *Aliso Viejo, CA - 2013 – 2016*

+ Under indirect supervision, I performed basic claim handling functions including data entry, bill payment, ordering various reports from outside parties, along with preparing and filing various required forms.
+ Interacted with clients, attorneys, and outside vendors for various reasons like gathering data and scheduling appointments.
+ Processed medical only claims as assigned, within requirements set by client service instructions and Gallagher Bassett.
+ Work activity also included, review, approval, and payment of medical bills and bills from other service providers in a timely fashion.

Dr. Erini Redmond D.D.S. –
Dental Assistant   *San Clemente, CA – 2010 – 2013*
+ Implemented digital procedures for California law compliance.
+ Automated processes by creating templates through Dentrix, instrumental in creating online patient forms for seamless transfer for use in the Dentrix patient records.
+ Transferred all hard copy paperwork to digital formatting and distributed them to the appropriate files for easy accessibility and retrieval.
+ Managed client relationship and monitor client and business compliance with credit and business agreement.
